FOURTH DAY JELLS PARK

**On holiday, I had picnic with my host family at Jells Park.
We made BBQ together. Then, we play footy together.
I was happy.**

My Host Family

I stay with Mr. Peter, the Principal, with another Thai student, Miss Jib. Life is much simpler here in Melbourne. Normally, I get up around 7.00, go to school with Mr. Peter around 9.00, study in class, hang out a bit and get back home by train around 5.00 to 6.00. Lovely moment of the day would be discussing politics, economics and society with Mr. Peter and Mrs. Rita.

Singing

I've never been confident on my singing. However, after staying with Mr. Peter for almost a month, I heard he sing a lot. Therefore, I sing a lot too. I sing both Thai and English songs but mostly slow ones. Some of my friends said that my voice is too low. Some of them said that it was beautiful.

My Homestay

My homestay is very kind and helpful. I can communicate with them. It is also very funny too. I like them very much.

“Thank you to all of our wonderful homestays. Your efforts and care are very much appreciated!”
Peter Russell (Principal)
